A Plea for Our Deserving Dogs!

Dear SCMR Supporters,

This has been a very busy year with adoptions and helping Maltese in need. We feel badly for not being in touch more, so let us bring you up to date. So far this year we have brought 61 dogs into SCMR and have adopted out 69 (adoptions would include ones already in our program). We continue to get many requests from owners who need to surrender their pets.

SCMR has had a lot of expenses so far this year and i in need of donations. Please help us to continue our mission to help as many Maltese in need as we are able.

This past week we provided heart surgery for Winter, a darling little girl who needed the surgery in order to thrive. The surgery ended up costing a good bit more than expected. The total was \$5023.38. We were able to raise about \$2000.00 of the cost. Please consider a donation to help finish paying for her much needed surgery. ***You're donation will be tax deductible!*** There are so many more examples of little ones in need to whom SCMR has committed and who need ongoing care, not to mention the many spays, neuters and dentals that were done for all of our rescues to get them ready for adoption. Remember that no amount is too small!

SCMR commits to our rescues for as long as it takes for them to either find a forever home or for their quality of life to decline indicating "it's time." This was how it was for Jonathin; he was loved from the day SCMR got him until the day we had to help him cross the bridge. Our thanks to his foster mom for giving him unconditional love for the time he was with her.

Just think...for less than the cost of a soda or cup of coffee for just one day...if everyone donated ONE DOLLAR, imagine how many we could help! Please help spread the word about SCMR. Helping to get the word out means a lot! It's not easy having to ask for money, but this is the only way SCMR can continue to help more. SCMR is an all volunteer, unpaid staff. 🐾
